INSTITUTION OF EMINENCE (IoE) CALL FOR APPLICATIONS FOR POST-DOCTORAL FELLOWSHIP (IOE - PDF)

The IoE-Post-doctoral fellowship (IoE-PDF) scheme at the University of Hyderabad aims to attract motivated young researchers from across the country and abroad and provide them with the infrastructure and financial support to engage in creative, high-quality work in their discipline/area of interest. The fellow will work under a faculty-mentor from the School of Physics and centers attached (CASEST, ACRHEM, CEOAS), University of Hyderabad. The training will provide them a platform to grow as independent researchers and potential faculty members of high quality. In addition to research, a fellow may be assigned teaching responsibilities, depending on their interest, to support and complement ongoing and/or initiate new programs in the respective academic unit as per the mandate of the IoE. **School of Physics** invites applications from eligible candidates for the IoE-Post Doctoral Fellowship (IOE-PDF)

Essential Qualifications: *Ph.D. in Physics/Applied Physics.*

Ph.D. (Physics) or Ph.D. (Electronics) or related areas (Nanoscience & Technology, Materials Science, Chemistry) for candidates interested in working under the mentorship of faculty members listed under CASEST.

for the position at CEOAS: *Ph.D. in Atmospheric Science/Meteorology/Physical Oceanography or a related field.*

Desirable Qualifications: *3 published papers in refereed international journals (SCOPUS/WOS indexed).*

Final selection will be based on an in-person interview of shortlisted candidates, which they must attend at their expense.

Total Vacancies: 6 (UR=2, OBC=2, ST=1, PwBD=1). It may be noted that merely satisfying the minimum eligibility conditions does not guarantee short-listing or selection. The University reserves the right to fill as many vacancies as it decides (i.e., not all vacancies may be filled). There is only one vacancy in each area listed below.

Shortlisting of candidates would be based on:

1. Consent of one of the faculty members listed to mentor/host the candidate. A faculty member should preferably give consent to a maximum of three candidates.
2. Consenting faculty members must ensure that (s)he has sufficient infrastructure/facilities to achieve the objectives of the research program. Since the initial appointment is only for **nine (9) months**, there is no time for training and establishing facilities after the candidate is appointed.
3. A candidate can choose only one Mentor from the list below. Candidates receiving consent from a host/mentor faculty member will be preferred in shortlisting.

4. Number of publications as first or corresponding author and PhD supervisor independent publications. For the candidates applying in the areas of High Energy Physics, if the candidate is not the first/corresponding author, a letter from the PhD supervisor/PDF host stating that she/he is the main contributor to the papers needs to be submitted along with the application.
5. Cumulative impact factor of the publications.
6. Experience: number of years relevant to the research program.
7. Institution from which degree is received (in the case of many candidates, preference may be given to non-University of Hyderabad candidates).

ELIGIBILITY AND OTHER CONDITIONS

1. Candidates from UGC-recognized (public or private) institutions or institutions of national importance or from international institutions (NRI/PIO/ Foreign nationals) with the degree awarded at most three years before the announcement date of this call for applications. In the case of Indian nationals, a relaxation of two years will be provided to candidates belonging to OBC/EWS/SC/ST/Women/PwD categories, i.e., the Ph.D. should have been awarded not more than five years from the date of announcement of this call for applications.
2. Candidates from UGC-recognized (public or private) institutions or institutions of national importance or international institutions who have submitted their Ph.D. and are awaiting the award of the degree are eligible to apply upon submission of Provisional Certificate.
3. **Applicants already in regular service are not eligible to apply.**
4. Faculty members are NOT permitted to host/mentor students they have supervised or co-supervised for Ph.D. as IOE-Post Doctoral Fellows.
5. The upper age limit for the fellowship is 32 years (at the time of the submission of the application), and age relaxation of up to 3 (three) years will be given to candidates belonging to SC/ST/OBC (Non-Creamy Layer)/Women/PWD/EWS candidates (i.e., 35 years as the upper age limit)".
6. The IOE-PDF is purely a temporary assignment. There will be a rigorous assessment of the progress. Extension, if any, will follow the IoE, UoH guidelines.
7. **Notwithstanding any of the conditions mentioned above, the tenure of all appointments will be co-terminus with the tenure of the IOE program at the University of Hyderabad (which is currently 31/3/2025).**

FELLOWSHIP: Rs. 55,000/- per month (consolidated) and Rs. 35,000 per month for candidates who have submitted the thesis and are awaiting the degree award.

RESEARCH GRANT: Rs. 1,00,000/ - per annum for IoE-PDFs in Schools of Chemistry, Engineering Sciences and Technology, Life Sciences, Medical Sciences, and Physics and Rs 50,000/- per annum for all other Schools. The grant can be used for consumables, contingencies, and domestic travel - for attending conferences/research meetings/symposia). **Purchase of items such as minor equipment, laptops, tablets, furniture, or any other form of the asset is NOT permitted.**

The IOE-PDFs are not eligible to receive any other fellowship from any government or non-governmental source during the fellowship's tenure. If availing of any other fellowship/remuneration, s/he must resign before accepting the IOE-PDF at the UoH.

Deadline for applications: 16/05/2024.

The government of India's rules on reservation policy will be strictly followed in selections. The University reserves the right to reject all or any of the applications or cancel the call for applications without assigning any reason thereof.
